Microsoft Office Suite, **ArcGIS online**, **ArcGIS Pro**, **ArcMap**, Google Earth Explorer, JavaScript, html, Python, Leaflet, Canva, PowerPoint, Zoom

EDUCATION

CU Boulder -2003

BS Architectural Engineering

14 course hours GIS related work

CMC Leadville -2023

GIS certificate

18 course hours GIS

3 hours programming

City of Salida | Salida, CO

Planning Commissioner

2019 – Present

- Interpret, and implement the city's Land Use Code concerning new developments and variance requests.
- Serve a semi-judiciary role in public hearings concerning controversial projects within the city.
- Facilitate problem solving public discussions.
- Make zoning and budgeting recommendations to the city council.

Salida HS + Salida Cyclones Swim Teams | Salida, CO

Head Coach

2022 – 2024

- Train competitive swimmers ages 6 to 18 years
- Manage TeamUnify and MeetManager databases
- Coordinate league and state wide events
- Maintain USA Swimming standards, Red Cross Certifications
- Write grant proposals

A Physician's Home Care | Salida, CO

Home Care Aid

2019 – 2021

- Increased my daughter's Medicaid care hours from 43.75 hours/week to 65.30 hours/week through consistent advocacy.
- Provided 24/7 assistance with all aspects of my daughter's daily life, from transitions, to dressing and bathing.
- Monitored my daughter's seizure activity, administer both maintenance and emergency anti-epileptic medications.

Notkin Mechanical (now P2S Engineering) | Seattle, WA

Project Engineer

2009 – 2010

- Worked as a part of a multidisciplinary team to design and coordinate construction of complex buildings, such as hospitals and military barracks.
- Managed project schedules and deadlines for myself and our subcontractors.

PSF Mechanical | Seattle, WA

Project Engineer

2005 – 2009

- Contributed to intense multidisciplinary coordination efforts for exacting clients, such as Nordstrom retail company.
- Commissioned both new and existing mechanical systems for buildings.
- Contributed to the company's controls standards by creating new sequences and diagrams.

Beaudin Ganze Mechanical (now BG Building Works) | Avon, CO

Engineer

2004 – 2005

- Created energy models illustrating the building loads.
- Obtained a Leadership in Energy & Environmental design (LEED) accreditation.
